ADDITIONAL INFORMATION

Odd lot numbers will be offered first to non-residents and even lot numbers will be offered first to residents.

Tenders are for total rod numbers for the lot (for instance, a successful tender for lot 3 requires the payment of all four rods).

Minimum and maximum price per rod is 250.00 \$ for non-residents and 125.00 \$ for residents, taxes to be added. Should there be more than one tender for a given lot a public draw will determine the winner.

A retention fence is set upstream of zone 12. It is installed normally on June 12th if the water level is appropriate. Consequently we do not guarantee that it will be so.

The fence is removed October 1ST. However a high water level could force an earlier removal. If this should be the case, arrangements (refunds if desired) will be reached.

The first salmon were observed in this zone on June 15th. This zone being high up in the river, we cannot guarantee the arrival of salmon in the beginning of the season.

A non refundable deposit of 100.00 \$ for a non-residents and 50.00 \$ for residents must be included with each tender (deposits may be paid by credit card for tenders applying via email)

Tenders may be emailed to info@saumongaspe.com, or sent in sealed envelopes with the mention « Tender for zone 12 fishing day lots » until 2PM on Friday June 14th, 2016 and opened publicly the same day at 2PM.
